

It has been my esteemed pleasure over the past seven years to assist first time college bound students with Trunks of essentials and pearls of knowledge for college. Better Love Yourself Inc. addresses the student's needs by supplying them with a trunk

full of essentials. We also address confidence and character-building exercises to better develop self esteem, improving ones health, and imaging positive resolve for the future of our young men and women.

The Better Love Yourself Foundation is for everyday people who do extra ordinary things in life through mentoring and other community-related services. We ask that you do your absolute best when you fill out this application. Honesty is the best policy to ensure you get the most out of this process which not only helps us get to know you, but it will also allow you to get to know yourself better.

Please note you must be present to receive your trunk. Your parent cannot receive it for you. You must remain at the entire event to receive your trunk.

Please download the application for your BLY Trunk and I hope to see you in July.

Sincerely,

Terisa Griffin
